These trips will be announced at the March meeting.
2. Financial Report: Everything looks in place with numbers in the black. Utilities are in the red because the electrical costs from the concession building have been moved to this line.
3. Youth Basketball Wrap Up: ¾ Boys ended as of last Saturday. ¾ Girls ended last Saturday as well, with the Round Robin in St. George. 5/6 Girls lost the previous Saturday. 5/6 Boys lost the previous Saturday as well. 5/6 Championship games are tonight at Flanagan Center. Ben's goal for next year is to recruit more refs, as he was the only one this season.
4. Adult Programs Report: Pickleball: none for the winter as people are away. Volleyball: will continue on Mondays at 7PM. Basketball: will resume on Thursdays after February vacation from 7-8:30 PM.
5. 5. Winter Programs: Ski Club: This Thursday will be the last week for the season. Had great #'s last week due to good weather. Skating: Tomorrow might be the last day of skating. Temps will be warming up this next week, then will dismantle the rink for the season. A new resident in town, who has experience, is interested in helping resurface it next season. Would also like to look into a new fence around the rink as well.
6. 2017-18 Goals – Collins Park Update: Ben gave committee members an A+ for offering concessions at the Round Robin. There are hopes to continue offering concessions in the future. Collins Park: Ben received 3 prices from companies for the Merry Go Round. He's waiting on installation bids from local contractors. Will present prices and information to the Selectman when its all gathered together.
