Madelyn MacCaffray (public)

Approval of Minutes: Bryan motions to approve minutes as written, Ryan seconds, all approved.

Agenda Adjustments:

Moved Election of President to beginning of the meeting: Summer nominates Gary Minery; Jaime seconds; All in favor

Public Comment: None

Old Business

1. Seniors Program Report

Next delivery luncheon is tomorrow (26 lunches). Patty helps Ben pack the lunches. The delivery allows for him to be able to see the seniors.

Boat ride last week was cancelled due to fog. Rescheduled to Wednesday. About 35 are signed up.

2. Financial report

Not much activity has happened.

3. Scoreboard update

Kalloch has begun the process of installation. Ben expects the board will be installed by the end of the month. Steve, who works for the town, will do the electrical work.

4. Facilities

Ben met with Allen Farm Fence. He will send Ben a quote for: repairing the top of the baseball backstop, three posts on the tennis court that are heaving through the concrete, replace the bottom section of fencing on the Little League field and the leaning post. The hope is that he will complete this work this fall.

Tennis courts are being resurfaced next week, reopening the 28th. Two pickleball courts will be painted on the court.

5. Youth Soccer

Registrations are underway. There is no registration deadline. In order to play on Saturday, parents need to sign them up by Friday. Parents will need to pre-screen their player before coming to the field, which has been sent out to families.

K-2: 16 (3 volunteers) 9:00-10:00

3-4: 7 10:30-11:30

(If numbers stay low, Ben won't need help. However, Summer will be there to help)

5-6: 11 12:00-1:00

First half will be skills and drills. Second half will be scrimmaging.

New Business

1. Youth Basketball

Ben proposes that we run youth basketball outside starting October 24-November 21 (into December if the weather cooperates), running as long as we can while the weather lasts. Ben is going to price out adjustable hoops for the K-2.

Is the MAC available? Or Rockland Rec? We could rent space for a couple hours, once it gets colder. Ben will talk to Benji at the Rec and a contact person at the MAC for more information. IF school is working remotely (Red zone), we will not be offering Rec basketball.

2. Looking Ahead

There are preparations happening at the Camden Snow Bowl, which means we will be able to have our Ski Club.

Should we create a space at the lower field for cross-country skiing and snowshoes? Especially with indoor sports up in the air, it will be important to promote outdoor winter activities.

Can the ice rink be installed this year? Would it make sense to have Kalloch flatten out a surface down at the big field while he is installing the scoreboard? Ben will talk with Jimmy Kalloch.

This year's meeting dates: 9/14, 10/19, 11/16, 12/14, 1/11, 2/8, 3/15, 4/12, 6/14, 7/12

Other Business

1. Executive Session: none needed
2. Next Meeting: October 19 at 6:00
3. Boosters Discussions: Oddfellows donated \$372 to Boosters from their Bean Supper.

Adjournment: Jaime motions to adjourn; Gary seconds; All in favor: 6:50
