#### OLD BUSINESS

1. SENIORS PROGRAM REPORT: great trip to Maritime Museum in Bath. 38 went. July is a cookout with Tenants Harbor Ukulele Group playing. Next trip is August 16<sup>th</sup> to Sea Dogs.  
September is a Lighthouse Cruise and October is a trip to the wineries.
2. FINANCIAL REPORT: at the start of the fiscal year all lines ended up in the black.
3. ADULT PROGRAMS: Pickleball is completely underway. Lines are painted, tub with paddles, etc are in there with a lock. Ben offered to us & anyone to play-said it's fun. Ping Pong has had no interest.
4. COLLINS PARK UPDATES: The idea of a boat for the playground will be revisited next year, it's too late now. Table until September.
5. SUMMER CLINIC REPORT: Things have gone extremely well. Learned that split session for Art & Science are better as half days. Drama & Dance and Baseball & Softball were phenomenal clinic due to the instructors. Ben suggested we set up a Survey Monkey for the children, parents & instructors to offer feedback. He also wants to get Meredith (who helped with lunch) a \$50 Luke's gift certificate in lieu of pay (she isn't allowed to get paid).
6. FACILITIES: The short fence at the baseball field is a hit. Residents and out of state, both, are using the field, which very dry. It will be sprayed to keep out the weeds, getting loam from Kalloch and seeding it in the Fall. The Landing field fence repairs are done. Fixed rail fence, new corner posts, wire and straightened it up. Replaced some chain link on back stop also.
