

St. George Parks and Recreation Committee
Monthly Meeting Minutes
October 19, 2020

Meeting Called to Order: 6:05

Attendance: Ben, Jaime, Bryan, Ryan, Summer, Craig, Gary (Meghan via Zoom)
(Cassie absent)

Approval of Minutes: Summer motions to approve minutes as written, Bryan seconds, all approved.

Agenda Adjustments: None

Public Comment: None

Old Business

1. Seniors Program Report

Delivered 30 lunches on 10/6

Next delivery 11/10

No shopping trip this year

2. Financial report

\$3000 less in "field maintenance" section than is showing on this month's report. Field has some new Turface.

3. Scoreboard update

Posts are in. He found some ledge when drilling, but posts are secure. Next up is electricity.

4. Facilities

Kalloch made an area in the parking lot at the big field for us to keep our ice rink.

Tennis and pickleball courts are looking great. They will be closing up after Halloween.

Thank you to Bryan and Jack for fixing the batting cage to get rid of the sag in the net. They also offered to repair the Little League backstop.

The stakes are going out on the field tomorrow to keep the geese off throughout the late fall/winter.

5. Youth Soccer Update

A lot of positive feedback from parents that kids got a chance to play.

K-2: 15-20 players

$\frac{3}{4}$: 6-8 players

$\frac{5}{6}$: 10-16 players

Thank you to all the coaches who helped pitch in.

New Business

1. Winter Outdoor Activities

Skating: weather permitting; after Thanksgiving we will start to find a date to install the rink. Can we put a hockey net next to the rink? Ben has extra skates if necessary.
Ski Club: Ben will be confirming with the Snow Bowl next month and will keep us informed.
Snowshoeing/Cross Country Skiing: Ben will block off the parking lot at the concession stand bc it gets so muddy.

2. Youth Basketball

The school is going to the board to see if middle level can do any type of intramural, even though inter-league will not be happening.

Rec Intramural starts (Students will need to complete check-in form before participating and sanitize their hands)

½: 10:00 (4 Saturdays--through 11/14--4 Saturdays) Behind the school

¾: 11:30 (through 12/12, skipping Thanksgiving--7 Saturdays) Behind the school

⅝: 1:00 (through 12/12, skipping Thanksgiving--7 Saturdays) On the middle level court

IF the school board does not approve middle level intramural sports, the Rec will offer a time after the ⅝ practices.

Ben researched the Flannagan Center and the MAC for after the holidays. The Flannagan is not an option. The MAC is doing a regional youth league during the winter. If STG chooses not to be part of the league, they will reserve some time for STG hourly.

This year's meeting dates: 9/14, 10/19, 11/16, 12/14, 1/11, 2/8, 3/15, 4/12, 6/14, 7/12

Other Business

1. Executive Session: None needed
2. Next Meeting: November 16 at 6:00
3. Boosters Discussions: None needed
4. Oceanside Little League: They have a lack of volunteers. The board is shrinking rapidly. There is a board meeting this Friday at 6:30. Public is welcome to join via Zoom. Before anything else can happen, they need to structure the board. Davin is not president this year; unsure who will take his place. Possible to move from Little League to youth baseball/softball. Could we adopt the same/similar rules, but have it run by the Rec? We would have flexibility with the rosters. Another option is to have Knox County Little League, that way all of Knox County could host an All Star team.
5. Ben would like to host a Community meeting in Port Clyde this Spring to discuss the future of the Park. He will need to get approval from the town manager and Select Board.

Adjournment: Jaime motions to adjourn; Gary seconds; All in favor: 7:01
