

Budget Committee Agenda

July 25, 2022

6pm

Additions to the agenda

Review and approval of the minutes from our last meeting (Scott please send those out to us this week so they are on the top of our inbox)

Choosing the chair and secretary for the next fiscal year

A quick review of the solar energy review of results so far and assignment of tasks

A quick review of the measurement of greenhouse gasses in St. George and interest

in participating in this project (I am participating and others may want to also)

A review of the final financial reports from 2021/22. Irene, please be prepared to let us know what sorts of problems you see coming down the road and any other trends we should be aware of. Budget committee, please review the numbers and get any

questions to Irene in advance of this meeting if possible.
