

**Notes on SLR Planning Meeting Agenda  
held 5:00pm October 7, 2019  
St. George Town Office**

**Attendance**

Richard Bates <r.bates@stgeorgemaine.org>  
Jonathan Coggeshall <jonathancoggeshall@gmail.com>

Anne Cox <a.cox@stgeorgemaine.org>

**Purpose**

To plan for the community discussion November 14 at Firehouse Meeting Room

**Issues Covered & Actions**

1. Tentative Agenda for 7:00pm November 14 Meeting

Objective: To begin to better understand the effects of Sea Level Rise on the town's municipal infrastructure and services

- Science of SLR: Susie Arnold - Island Institute
- Coastal Risk Explorer tool: Jeremy Bell – The Nature Conservancy
- Examples from Midcoast Towns: Bill Najpauer - Midcoast Economic Development District
- Vinalhaven: member of their SLR Committee
- Discussion of Next Steps

2. Supporting Groups

- Planning Board
- Budget Committee
- Conservation Commission
- Fire and Ambulance Association

- Josh will ask Herring Gut Learning Center if they also would like to be associated with supporting this.
- Similarly, Richard will ask the CDC and MSU.

3. Publicity

- Anne will ask Anita Siegenthaler and Sam Belknap for help.

4. Refreshments

- Anne will ask the Friends of St. George if they will help organize light refreshments.
